April 13, 2009 Meeting Minutes

Old Business

- Anne Okonek from the USFS and Rob Katona from the MDNR attended the meeting. They discussed the construction of the Moss Lake Trail. Club is planning a club camping and Trail Building event for the weekend of May 9-10. Nick and Ted will have equipment tuned up and ready to go. Club will purchase 6-8 saws, loppers, etc for the trail work. An email will be sent regarding the specifics of this event.
- Club Ride Night – decided to advertise **Thursday Nights** as Sandstormers Club Ride Night. Meet, ready to ride, at 6.30pm at the Staging Area. We will discuss the first ride night date the May 11 meeting, assuming the snow is gone by then! Groups will be formed according to interest and experience.
- Club display at the MQT Rec Show was a success! Thanks to all that helped at the booth. We received many positive comments!
- Treasurer Scott is working with our accountant (Bill Sheltraw) to resolve our tax issues. Paid \$3,900+ and we should be all caught up now.
- Dick Liberty reported on our Trail Maintenance work so far this year. PLEASE make some time to assist with these efforts! About half of the Spring Maintenance is done at Forest Islands, and Bass Lake needs to be done as soon as the snow melts.
- Bob Robertson will be in charge of Enduro Trophies. Will be getting registration form out to website and NEPG later this month. Mark Coyne will be in charge of a spectator map. Carol and Carol will organize registration.
- Frank will be ordering hats for the club members, he will have them for us at the May meeting..
- All paid members as of April, will receive a list of members and contact information. They will also receive a copy of the Trail Permit from CCI, which we should have in our possession when riding on the CCI property.
